### FROM THE EDITOR

Happy Holidays! Welcome to this month's edition of the Web Design Ezine from BellaOnline. Check out the articles on the site - there are several, chock full of tips and guidelines for publishing professional user-friendly websites. Check out my new feature, "Design Target Niches" which starts with an article on designing effective, appealing real estate sites. Also featured is a wonderful collection of Holiday articles from various BellaOnline editors. Read the [Festive Holiday Article Collection from our Editors!](#) Lots of resources have also been added, which all lead to useful web building tools and techno know-how. If you have a question you would like to see published in the ezine, have a job to post or a great resource, send in your submission by emailing me at [webdesign@bellaonline.com](mailto:webdesign@bellaonline.com).
